P.E. and Sport Premium Funding Report – July 2020

The government is providing additional funding to improve provision of physical education (PE) and sport in primary schools. This funding has been provided jointly by the Departments for Education, Health and Culture, Media and Sport. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. This means we use the premium to:

- To develop or add to the PE already in place in school (referring to the aims below)
- To make improvements now for future pupils

The 5 key indicators where improvements should be seen are:

1. The engagement of all pupils in regular physical activity, aiming for 30 minutes a day within school time.
2. The profile of PE and sport is raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

The National Curriculum aims are for all children:

- To be physically active, working towards a target of 30 minutes activity during and after the school day (excluding general play times)
- To excel in a broad range of activities
- To engage in competition
- To lead healthy lifestyles

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Gold Sportsmark achieved 5 years in a row we now have PLATINUM • All of our children get to compete in a variety of events during a school year • We take part in almost all local and county sports competitions and events • We have several members of our school who compete at local and County level in a variety of events • We provide at least 2 hours PE weekly. • All children (Nursery included) take part in 100 mile challenge • We run several intra-house sports activities throughout the year including competitive races for EYFS, KS1 and KS2 • Teachers and TAs provide a wide range of before and after school clubs for team and individual sports. • Coaches delivered blocks of tennis, football, dance and cricket in order to provide CPD for staff and high quality teaching for pupils • An annual sports day is held which involves the whole school and is an opportunity for competition for all abilities • Free before and after school sports places are offered to Pupil Premium children • Swimming sessions are paid for Pupil Premium children 	<ul style="list-style-type: none"> • Enhancing the opportunities for our less active and other targeted groups • Developing new ideas to achieve the recommended 30 minutes a day of activity • Providing more opportunities for non-traditional sports and inspirational sessions for all • Increasing the less active children’s participation in sport • Enabling every year group to have the expertise of a coach • Increasing the competition participation • Increasing the number of children leading and managing sports events • Introduce something new for dance e.g. Zumba and cheerleading • Include the notion of Personal challenge • Further develop and embed healthy active life styles

Meeting national curriculum requirements for swimming and water safety	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	100%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	55%

What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	55%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
