

Kenya Day -25th May

On Wednesday 25th May, we will be celebrating our annual Kenya Day. We had a fantastic zoom meeting with Mrs Cole, Head teacher Peter and Deputy Brian to plan celebrations together.

We will be exchanging videos of singing, asking questions and answering questions about what it is like to live in Kenya/Kendal.

Please come to school dressed in the colours of the Kenyan flag. If you would like to bring a donation of £1, monies raised will go towards supporting and developing our link.

More details of activities will be given to the children by class teachers at a later date.

It is a wonderful opportunity to enhance our knowledge of the world as a Global Citizen.

Open Arms Academy

The children were excited to receive our Easter cards and sent thanks. They loved the photos of our wreaths on the cross we shared with them.

We were able to send materials and funds to aid the training day for teachers as they made resources for the children and classrooms.

New Pupils

Open Arms International have now joined with the Stand By Me Organisation. 100 children from the local village have now joined school and are receiving an education they wouldn't have otherwise received. We feel blessed we are able to contribute in helping to make this happen.

Enterprise Challenge

Year 4

At the end of this term, Year 4 sold the artwork they produced, as part of their History theme on The Arts.

They raised an amazing £140 towards sponsoring a child to attend school.

Year 2

Year 2 planted daffodils and tulip bulbs, and held a plant sale at the end of term. They raised £64.

Look out for more Enterprise Challenges happening this term and on Kenya Day.

Noah's Initiative Visitors

Our friends, Elliot and Mety, from Noah's Initiative, visited school on Wednesday 30th March to give us a talk and held a Kenyan Market after school.

It was great to hear about the boys in the programme and their successes. Thank you for supporting the Kenyan Market, we raised over £300.

Elliot and Mety's children, Kingsley and Kingston, joined Y2 for the afternoon. More twins in KS1! They had a wonderful time and are still talking about their new friends.

Did you know?

You can get regular updates about Open Arms on Instagram or on the Open Arms International, Kenya website.

Look out for an update in our news letter next term.

Thank you in advance for all your support.

Mrs Hope and Miss Bryson
